# BLOCK CHAIN

RESOURCE PERSON  
Mr. ANUP  
HEAD OF TECHNOLOGY  
FABC

A BLOCK CHAIN Seminar was conducted on 27-10-23 by Mr. Anup Kumar - FABC - Dubai

## **REPORT**

The Blockchain Seminar was conducted by the Department of Training and Placment on 27-10-23 at the Seminar hall of Dhanalakshmi College of Engineering and Technology. The guest speaker was Mr. Anup Kumar of FABC, Dubai.

He gave the awareness and importance in learning Blockchain. As the seminar went on the students were inspired to know more about this topic. They were clearly told the benefits of learning Blockchain and how it fetches good jobs in future. The process of how to be trained and complete the certification in Blockchain was also made aware to the students.

The role of FABC in training the students in Blockchain and helping them to complete the certification was made clear.

During the feedback session the students were more inquisitive to know about the Blockchain and its future trends in today's market.

Finally, how FABC recruits the students into their company and onboards them to work in Chennai, Dubai and Australia were made aware to the final year students.
