## About DSCET, CHENNAI

Dhanalakshmi Srinivasan College of Engineering and Technology (DSCET) is an emerging institute of excellence in Engineering Education located on the East Coast Road, in the Historic Town of Mamallapuram. The college is run by the Srinivasan Charitable and Educational Trust, which has been in the field of education for more than a decade. The college is approved by the AICTE, New Delhi and is affiliated to the largest Technical University, Anna University, Chennai and Accredited by NAAC with "B++" Grade.

In 2001, the College began with three Undergraduate Engineering programmes with an annual intake of 150 students, and now has 12 Undergraduate and 6 Postgraduate programmes with an annual intake of 1032 students. The AICTE's clearance and affiliation with Anna University for such a progressive intake is a testament to the college's consistent growth over the years. UGC has also granted the college 12(b) status. Anna University, Chennai has granted Permanent Affiliation for 5 UG courses viz. Computer Science and Engineering, Electronics and Communication Engineering, Electrical and Electronics Engineering, Mechanical Engineering, Information Technology and 1 PG Course: Master of Business Administration.

## Objective of the Workshop

The objective of this workshop is to enrich the research and development activities and scientific writing skills. The fundamentals of educational institutions constitute the starting point for research and development. Research and development (R&D) partnerships with educational institutions are being prioritized by industry with a higher emphasis. Dhanalakshmi Srinivasan College of Engineering and Technology, Mamallapuram, is proud to organize a "Two Days National Workshop on Effective Research Paper and Funding Proposal Writing" from 04<sup>th</sup> August to 05<sup>th</sup> August 2023 to raise awareness of research and development and to stimulate creativity across a variety of disciplines. This workshop covers scientific research paper writing and funding proposal writing, which has inspired faculty members and professors to direct

their research efforts towards this need to increase scientific research publications, develop projects with societal usefulness, entrepreneur opportunities, and patent their ideas.

## About the Workshop Program Schedule

### Day-1

#### Inauguration

#### Topic: Effective Research Paper Writing

#### Topic: Review Model & Publication Process in SCI/Scopus indexed Journals

#### Hands-on Section and Discussion

### Day-2

#### Topic: Writing Quality Research Proposals

#### Topic: Funding Opportunities

#### Feedback and Valedictory Function

## Expected Outcome of the Workshop

- ❖ To be aware of the publication process of peer-reviewed scientific journals.
- ❖ To improve the writing skills in research paper writing.
- ❖ To be aware of the funding opportunities and proposal writing.
- ❖ To enrich the effective proposal writing skills.
