**Preamble:** The objective of this workshop is to enrich the research and development activities and scientific writing skills. The fundamentals of educational institutions constitute the starting point for research and development. Dhanalakshmi Srinivasan College of Engineering and Technology, Mamallapuram, organized "Two Days National Workshop on Effective Research Paper and Funding Proposal Writing" from 04<sup>th</sup> August to 05<sup>th</sup> August 2023 to raise awareness of research and development and to stimulate creativity across a variety of disciplines. This workshop covers scientific research paper writing and funding proposal writing, which has inspired faculty members and professors to direct their research efforts towards this need to increase scientific research publications, develop projects with societal usefulness, entrepreneur opportunities, and patent their ideas.

### **The Outcome of the Workshop:**

- ❖ To be aware of the publication process of peer-reviewed scientific journals.
- ❖ To improve the writing skills in research paper writing.
- ❖ To be aware of the funding opportunities and proposal writing.
- ❖ To enrich effective proposal writing skills.
- ❖ To encourage students to create an industry-focused initiative and patent the idea.

The workshop's participants gained insight into scientific research, paper writing and proposal writing for various funding organizations and developed innovative concepts that benefit society.

**Total number of participants: 100**
