

DHANALAKSHMI SRINIVASAN COLLEGE OF ENGINEERING AND TECHNOLOGY

[Approved by AICTE and Affiliated to Anna University, Chennai]
ECR, MAMALLAPURAM, CHENNAI 603104

ANNUAL REPORT

(2021-2022)

Our college was started in 2001 with three UG programmes namely CSE, IT, ECE, thereafter we have added few UG programmes namely, EEE, AERO, MECH and CIVIL and also PG programmes MCA, MBA and 6 PG Engineering programmes M.E. – CSE, M.E. - Communication system, M.E. - CAD/CAM, M.E. – Aeronautical, M.E.- Power Electronics & Drives and M.E.-Applied Electronics. ECE and Mechanical department has approved research center by Anna University. Three new U.G. courses such as Agriculture Engineering. Biomedical Engineering and Food Technology started in the Academic year 2019 – 2020 Two new courses B.Tech Artificial Intelligence and Data Science and B.E CSE (Cyber Security) was introduced.

Our college is approved by the AICTE, New Delhi and affiliated to Anna University, Chennai, also our college is accredited by NAAC with “B++” grade and is having well equipped laboratories, a huge and well stocked Central Library, Play grounds with facilities for all outdoor.

Games, a modern Gym, separate hostels for Boys and Girls. We are proud to have a 2.25 lakh sq. Feet huge academic building with vast area of greeneries.

Students Achievements

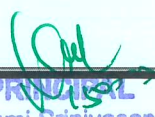

I am happy to record that the college continued to get academically excellent results in the Anna University examinations this year as well.

Co-curricular Activities

All the Departments have inaugurated their Departmental Associations and prominent Industrialist and Academicians have graced the functions. Due to Covid Pandemic, as the instruction Protocol by the government of Tamilnadu, We organized more Webinars for the year 2021-22 .

We have organized 15 FDP/Workshop for both teaching and non teaching faculties by inviting the chief guest from various fields and through Placement and Training. We conducted brainstorming sessions

Principal
Dhanalakshmi Srinivasan College
of Engineering & Technology
ECR Mamallapuram, Chennai-603 104

with HRs from the most leading MNCs and they had interaction with the students.

- ✦ In this academic year forty value added courses was conducted
- ✦ Pass percentage of outgoing students was 86.57%
- ✦ Thirty three activities were conducted along with MOU's signed companies in this academic year.
- ✦ In this academic year Seventeen Conferences attended from various departments.
- ✦ Fourteen programs were conducted through IQAC.
- ✦ Seventy eight journals / publications were published.
- ✦ Two collaborative activities are conducted.
- ✦ IEI award from IGCAR.
- ✦ Received AAA and ISO Certification.
- ✦ Recording studio established.
- ✦ Solar plant 10KVA was installed inside the campus.

Faculty Achievements

This laudable achievement by the students in the curricular and co-curricular activities was possible only because of the dedication of faculty members who also constantly strive to improve their own knowledge and qualifications during this academic year.

More than 90% Faculty Development Programmes have been conducted in the institution by all the departments to train the faculty from our college in and around India. The resource persons for the FDP were eminent personalities from Industries and reputed Institutions who have shared their knowledge and experiences through expert lectures and practical sessions. All the department faculty members have received participated and Appreciation certificate in conferences, workshop and seminars in various institutions.

Dhanalakshmi Srinivasan College
of Engineering & Technology
FCR Mamallapuram, Chennai-603 104

Students Achievement

- Inbadass And Aaron Of IV-AERO attended a IPT at Taneja Aerospace And Aviation Limited from 11.04.2022 to 18.04.2022.
- Ram Kumar, Kirthika, Preethy Joyes of III-AERO had attended 7 days DRONE Program at Barola Technologies.
- Subha of IV-ECE, DhineshKumar of IV-BME participated in the Competition at IEI and won the award for best essay and drawing competition on 23rd September 2022.

Placement

- Placement & higher studies: 234 students are placed and 4 students are going to higher studies.
- Our recruiters from 68 different companies conducted a placement drive in our campus.
- Four career guidance training programme.
- Three competitive programmes organized.
- We actively support students to take up extended internships that generally culminate in placement in that organization.

components

- ✦ Clean combustion for future greener environment

Hr Conclave - Webinars

- ✦ **OPPORTUNITIES AND THREATS FOR VIRTUAL CAMPUS HIRING**, by the chief guests Dr.Subramani Ramakrishnan, Director, Workforce Management , IBM, Mr. Charles Godwin.P,HR Leader & Public Speaker, Zoho Group, Mr. Charles Diwakar, Manager Hr, Hcl Technologies, Mr.Kathiravan.S, Head - India Campus Hiring, Virtusa, Mr.Josua David M.D, Manager, Apac Recruitment, Hexaware Technologies.
- ✦ **PATH TO ENTREPRENEURSHIP** By Mr.Sunil Sethia,Vice President, BNI India Pvt Ltd.
- ✦ **EMPLOYABILITY SKILLS FOR THE FUTURE** by Mr.Balaji Kodhandam, Founder and Partner Powerol Energy Systems.

Alumni webinars are organised and conducted

- ✦ valuation of immovable assests
- ✦ **study abroad – scope and opportunities**
- ✦ business process management
- ✦ Industry overview on human resources
- ✦ Microservice Using Spring Boot
- ✦ Digital trends and technologies
- ✦ Market expectations and how to prepare oneself to face the new norms of the corporate world
- ✦ Employability skills for the future
- ✦ Aptitude test– Club activity

Faculty Achievements

This laudable achievement by the students in the curricular and co-curricular activities was possible only because of the dedication of faculty members who also constantly strive to improve their own knowledge and qualifications during the pandemic condition.

More than 75% Faculty Development Programmes have been conducted in the institution by all the departments to train the faculty from our college in and around India. The resource persons for the FDP were eminent personalities from Industries and reputed Institutions who have shared their knowledge and experiences through expert lectures and practical sessions. All the department faculty members have received participated and Appreciation certificate in conferences, workshop and seminars in various institutions.

Students Achievement

- N.Kavipriya /II-IT, 2. B.Lakshmi/II-IT,& 3.K .Pradeep/II-IT Participated a Workshop titled **CRYPTOGRAPHY AND NETWORK SECURITY** held on 15-April-2020 to 17-April-2020 at St.joseph's college of engineering and technology.
- K.Saravanan/II-IT , N.Shamuel Raja/II-IT, D. Vishva/II-IT Participated a Workshop titled **SOFTWARE TESTING** held on 27-April-2020 to 30-April-2020 at SRM University.
- E.Shakthi priya /II-IT Participated a Workshop titled **R-LANGUAGE AND BIG DATA TECHNIQUES** held on 20-April-2020 to 23-April-2020 at Talent sculptors.
- S.Farzhana /II-IT 2. S.kalaivani/II-IT 3. C.Kannan/II-IT Participated a Workshop titled by **WEB DESIGNING** held on 01-April-2020 to 02-April-2020 at Loyala College Autonomous.
- L.A Sheik feizal /IV-IT & 2. D.Silambharasan /IV-IT Participated a Workshop titled **ROBOTICS** held on 13-Feb-2020 at Talent sculptors.
- Abdul Rahim .K.M/II-IT &2. M.Aravinth/II-IT Participated a Workshop titled **ONLINE BASIC PYTHON** held on 09-Mar-2020 to 13-Mar-2020 at Jeppiar Institutions.

- G.Malathi, R.Mamtha Seervi & N.Monisha of final year MCA participated in a ONLINE workshop titled of CRYPTOGRAPHY AND NETWORK SECURITY at St.Joseph's college of engineering on 15/04/2020.

Placement

- As it was a pandemic period it was a challenge for placement cell to place the students in companies .
- We actively support students to take up extended internships that generally culminate in placement in that organization.

Also departments have conducted National level technical symposium by inviting eminent guest from various universities and participants from various colleges.

Our college values continuing education and constantly encourages the departments to organize conferences, symposium, seminars and workshops for student's enrichment.

Some of the programs conducted by various departments in our institution are:

✚ 9th National Level Symposium **TEQZONE 19** was held on 16/08/2019 organized by the Department of Information Technology. The event was inaugurated by chief guest **Mr.Chandrasekaran Sendrayan, CSS SAP integration Specialist, HCL Technology Limited.**

Principal
Dhanalakshmi Srinivasan College
of Engineering & Technology
FCR Mamallapuram, Chennai-603 104

- ✦ Guest Lecture on **“ADVANCED JAVA PROGRAMMING”** was organized.
- ✦ Department of IT organized a **“CLOUD LITERACY DAY”** (A Self Learning program) Conducted by ICT Academy.
- ✦ Workshop on **“INTERNET OF THINGS”** Conducted by **VEI TECHNOLOGIES CHENNAI**.
- ✦ Five day's workshop in **NSIC technical services** of 99% IOT team about **“Raspberry pi and Sensors”** held on 16/07/2019 to 21/07/2019 organized
- ✦ Robotics workshop organized by the Department of Computer Science Engineering and Department of Information Technology.
- ✦ Guest Lecture on **“APPLIED DATA SCIENCE”** 15-10-2019. The lecture was given by **MR.CHARLES ANTONYSAMY WINTEG CONSULTANCY SERVICES PVT. LTD, CHENNAI - 603103**. More than 88 students were benefited out of it.

- ✦ Guest Lecture on **“DESIGN OF ELECTRICAL APPARATUS”** 19-8-2019. The lecture was given by **DR.N.CHIDAMBARAJAN, ASSOCIATE PROFESSOR/ EEE, St. JOSEPH'S COLLEGE OF ENGINEERING**

- ✦ 13th National Level Symposium **SPARCADEUS' 19** was held on 22/08/2019 organized by the Department of Electronics and Communication Engineering.

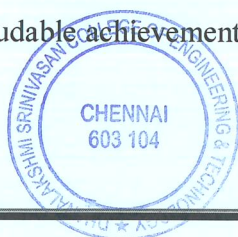

- ✦ **World Entrepreneurs Day** on **21st August 2019**. The chief guest was **Mr. Sunil Sethia** the **Executive Director of Chennai CBD B region of BNI** (Business Network International).

- ✦ Two days FDP titled **“TEACHING TECHNIQUES”** on 12th and 13th JULY 2019 combined with ICT Academy, chennai. The chief guest was **Mr. Sunil Sethia** the **Executive Director of Chennai CBD B region of BNI** (Business Network International).

- ✦ Our college has created digital waves by acting as one of the Nodal Centers of IIT Bombay, for conducting an online digital workshops. Our faculty members attended Online Workshop on C, C++, held on February 29th, 2020 at our college premises. It was a highly acclaimed and successful event, wherein around 35 faculty members of our college participated and got benefitted

Faculty Achievements

[Accredited by NAAC with 'A' Grade]

[Approved by AICTE and Affiliated to Anna University, Chennai]

ECR, MAMALLAPURAM, CHENNAI 603104

ANNUAL REPORT

(2018-2019)

Our college is approved by the AICTE, New Delhi and affiliated to Anna University, Chennai, also our college is accredited by NAAC with „A“ grade and is having well equipped laboratories, a huge and well stocked Central Library, Play grounds with facilities for all outdoor Games, a modern Gym, separate hostels for Boys and Girls. We are proud to have a 2.25 lakh sq. Feet huge academic building with vast area of greeneries.

Students Achievements

The college continued to get academically excellent results in the Anna University examinations this year as well.

Co-curricular Activities

All the Departments have inaugurated their Departmental Associations and prominent Industrialist and Academicians have graced the functions. Also departments have conducted National level technical symposium by inviting eminent guest from various universities and participants from various colleges.

Our college values continuing education and constantly encourages the departments to organize conferences, symposium, seminars and workshops for student's enrichment.

Some of the programs conducted by various departments in our institution are:

- ✚ Design and Development in **Nano Satellite** (Workshop)
- ✚ Innovations in Aeronautical Engineering and Technology (FDP)
- ✚ Workshop Conducted On "**Career Guidance For Civil**

Engineering"

- ✚ Workshop Conducted On **Internet of Things**

Dhanalakshmi Srinivasan College
of Engineering & Technology
ECR Mamallapuram, Chennai-603 104

- ✚ Recent Technologies in Power Sectors
- ✚ Symposium Conducted On "**Scintillate 2K18**"
- ✚ Design and Development in Nano Satellite (Workshop)
- ✚ Seminar on "**Cyber Forensics**"

Extra-Curricular Activities

Our students, guided by the faculty, have proved their talents and skills in numerous ways and have brought laurels to the institute. We have 2 NSS units with 200 volunteers. Several social activities were conducted including a blood camp and medical camp to service in nearby village.

- ✚ Best Project Award received for the event "**EEGAI MARAVEL (MATTRAM)**" conducted by Rotary International District 3232, Chennai.
- ✚ Best Volunteers Award received for the event "**Life to Change**" conducted by Rotary International District 3232, Chennai
- ✚ Best President Award received for the event "**Start of Rotract**" conducted by Rotary International District 3232, Chennai
- ✚ Elacution competing reward received for the event **Vigilance Awareness 2018** conducted by Rotary International District 3232, Chennai
- ✚ EEE department conducted **club activities** like technical quizzes and group discussions also many students' actively participated in Paper presentation/ project expo /poster design
- ✚ IT department conducted 6 club activities like **language and soft skill development, bridge courses** and also students actively participated in various events and sports.
- ✚ Department of Mechanical Engineering led the students to take part in

PRINCIPAL

 of Engineering & Technology
 FCR Mamallapuram, Chennai-603 104

Blood camp and other **medical camps** to create social awareness.

✚ The post graduate Department of MBA has conducted **World Entrepreneurship Day** to create the awareness among students. To strengthen the student's skills and their potential in various curricular activities the department of MBA has organized more than quiz programs and group discussions. The department has arranged IV with **Times of India, Shollinganallur, Chennai** for the student's welfare.

Staff Achievements

This laudable achievement by the students in the curricular and co-curricular activities was possible only because of the dedicated band of faculty members who also constantly strive to improve their own knowledge and qualifications.

18 Faculty Development Programmes have been conducted in the institution by all the departments to train the faculty from our college in and around Tamil Nadu. The resource persons for the FDP were eminent personalities from Industries and reputed Institutions who have shared their knowledge and experiences through expert lectures and practical sessions. In addition our faculty members have published almost 38 articles in peer reviewed journals and conferences. All the department faculty members have received participated and Appreciation certificate in conferences, workshop and seminars in various institutions

MoUs signed

Having felt the need to strengthen the industry-institution interaction and collaboration, our college has signed MoUs with some major industries and organizations, including a health care MoU with Chettinad Health City.

PRINCIPAL
Dhanalakshmi Srinivasan College
of Engineering & Technology
ECR, Maraimalaiapuram, Chennai-603 104

DSCET is the first engineering college to sign a MoU with, **BSNL (RTTC)**, Maraimalai Nagar, and Chennai. In addition Department of ECE has signed Mou with **Exhibit electronics and Electro solar solutions**.

- Department of Aeronautical have signed MoU with **Pride CAD Solutions Enterprises and Aerocitech Unmanned aircraft system**
- Department of CSE have signed MoU with MPhasis
- Department of civil have signed MoU with **SEKAR CONSTRUCTION PRIVATE LIMITED**
- Department of EEE signed MoU with **ELECTRONICS PLATFORM RESEARCH LABS (EPRLABS)**.
- The department of IT has signed MoU with **Vee Eee Technologies Solutions (P) Ltd**
- Mechanical department signed MoU with **Pride Kriatec Pvt Ltd** and **Pride Cadd Enterpriceses**, Chennai.
- The Aeronautical department has successfully signed MoU with **Aerocitech Unmanned aircraft system**

Placement

- As of today our students have participated in 30 placement drives. Almost 375 students have been selected during campus interviews.
- We actively support students to take up extended internships that generally culminate in placement in that organization.

ANNUAL REPORT

(2017-2018)

Our college was started in 2001 with three UG programmes namely CSE, IT, ECE, thereafter we have added few UG programmes namely, EEE, AERO, MECH and CIVIL and also PG programmes MCA, MBA and 6 PG Engineering programmes M.E. – CSE, M.E. - Communication system, M.E. - CAD/CAM, M.E. – Aeronautical, M.E.- Power Electronics & Drives and M.E.-Applied Electronics. ECE and Mechanical department has approved research center by Anna University.

The total intake students of our college are 1068 (UG 840 and PG 228). The college has strength of 2180 students, 215 faculties, 85 Technical staff and 130 employees. Our college is approved by the AICTE, New Delhi and affiliated to Anna University, Chennai, also our college is Accredited by NAAC with „A“ grade and is having well equipped laboratories, a huge and well stocked Central Library, Play grounds with facilities for all outdoor games, a modern Gym, separate hostels for Boys and Girls. We are proud to have a 2.25 lakh sq.ft. Huge academic building with vast area of greeneries.

This academic year, we have celebrated the traditional functions like, Republic Day, Independence Day, Women’s Day, Engineers’ Day, Fresher’s Day etc. with Gail and Gaiety.

The college has membership in various prestigious bodies like CII, MMA, ISTE, IEEE, SAE, CSI, ISHRAE, IGCC etc. Student Chapters of above professional bodies are also functioning effectively in the college.

MoUs have been signed with several industrial organizations, including a health care MoU with Chettinad Health City. DSCET is the first engineering college to sign a MoU with, BSNL (RTTC), Maraimalai Nagar, Chennai. Also, we have signed MoU with Kyung pook National University, South

Korea, Omr Events And Entertainment Private Limited.

All the Departments have inaugurated their Departmental Associations and prominent Industrialist and Academicians have graced the functions.

The entire department have conducted National level technical symposium by inviting eminent guest from various universities and participants from various colleges.

Aeronautical department have organized India's biggest bottle rocket challenge, in the presence of Padma Shri R.M. Vasagam, Chairman Aerospace Board – TN, IEL, Chancellor, Dr.MGR Educational & Research Institute.

Aeronautical and Mechanical department have organized International and National level conference.

Our college final year students published papers in many journals and conferences.

Our college has established collaboration with foreign Universities and many foreign scholars have visited our college for seminars, workshops and conferences, periodically, to exchange the latest technical knowledge.

Some of the programs conducted by various departments are:

- + Conference Conducted On "NCITAC'17"
- + Workshop Conducted On "IOT"
- + Seminar Conducted On "Entrepreneurship In Civil Engineering"
- + **World Entrepreneurs Day**

Principal
Dhanalakshmi Srinivasan College
of Engineering & Technology
ECR Mamallapuram, Chennai-603 104

- ✦ Recent Trends In Aeronautical Engineering (Guest Lecture)
- ✦ National Conference on "Futuristic Trends in Electronics Engineering".

Our faculty members have been attended several Seminars, Conferences and Workshops, conducted at various places. Also our faculty members have undergone many FDP programmes conducted in various Educational Institutions.

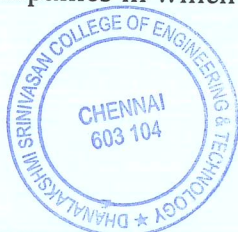

Our students have undergone many a Value Added Courses to supplement their academic skills, including J2EE, DOT NET, Embedded System, PLC, SCADA, CATIA and ANSI etc.

We have 2 NSS units with 200 volunteers. Several social activities were conducted including an Annual Special Camp in nearby villages.

The Students have undertaken many Industrial Visits and In-plant Trainings with the various industries and companies.

- **In Kabaddi our college students has won gold medal (RGOI) National level and 3rd position in zone level.**
- In Kho – Kho our college students has won silver medal (rgfi) in national level.
- In Volleyball our college students has won first prize in district level rotract club.
- In Badminton our college students has won first prize in state level tournament.
- In Heptathlon our college students has won second position in Athletics zone level.

Our Placement Cell is keen in making our Students get Placed. Till date the placement Cell has organized about 28 companies in which 341 eligible students got placement in the leading companies and industries.
