REPORT FOR NATIONAL LEVEL TECHNICAL SYMPOSIUM

DATE:19.11.2022

SPARCADEUS – 2K22

The second National Level Technical Symposium SPARCADEUS – 2K22 was held on 18th November. The Symposium began with Tamil thaaivazhuthu followed by lighting of kuthuvilakku. The welcome address for this glorious function was given by our student president. Our **Principal Dr.R.Saravanan, Vice-Principal Dr.V.Janakiraman** gave their felicitation. The chief guest was honoured. To add more color to this occasion the inaugural address was given by the chief guest **Mr.Yuvaraj Kandasamy**, Senior Technical Specialist, HCL Technologies, Chennai which was very useful for the student for their academic development. The session began with paper presentation. The other Technical and non Technical events were project Expo, Circuit debugging, JAM, Robotics Maniac. Dumb C, Engineer's Eye, Escape Room, Treasure hunt, Mobile Photography. Students from various colleges actively participated in all those events. The valedictory address was given by chief guest, followed by prize distribution for the winners. The vote of thanks given by IV Year ECE student. The occasion was a grand success and ended with national anthem.
