DEPARTMENT OF MCA

**TWO DAYS WORKSHOP ON DATA SCIENCE BASICS
AND MACHINE LEARNING ALGORITHMS**

Invitation

REPORT

Name of the Program	: **TWO DAYS WORKSHOP ON DATA SCIENCE BASICS AND MACHINE LEARNING ALGORITHMS**
Date & Time	: 16.10.2022 & 17.12.22 (10.00 am TO 3.10 pm)
Venue	: Seminar Hall
Chief Guest	: **Mr.M.SHANMUGASUNDARAM.,** Data Science Consultant, Tasker Inc., Eindhoven, Netherlands.

The department of Master of Computer Applications was conducted **Two days workshop on Data Science Basics and Machine learning Algorithms** on 16/12/2022 & 17/12/2022. The function was convened by **Mr.E.DILIPKUMAR**, Head of the Department MCA. Nearly 200 Students and Faculty members from Department of MCA, Biomedical, IT and CSE, attended the program.

The Chief guest was felicitated by the Principal and welcome address was given by Head of the Department. The topic of the Workshop is "**DATA SCIENCE BASICS AND MACHINE LEARNING ALGORITHMS**".

First day of the workshop he discussed the fundamentals of data science and machine learning methods. He gave the students a presentation on how to build a data science portfolio and how to use data science techniques in the real world. He has provided a project proposal for MCA students.

The introduction to data distribution strategies and data visualization techniques of data science is the first part of the second day's programme. The chief guest provided a road map for becoming a data science engineer in addition to practical examples of data preparation and cleaning the data. Mr.Yokesh.A.S, student of the second year from MCA department, gave the vote of thanks to conclude the session. The national anthem marked the end of the programme.
